openSUSE Virtual Summit

- The openSUSE Virtual Summit will take place on May 1 from 10:00 UTC until 20:00 UTC.
- There are two rooms where talks will take place in; the FOSS Room and openSUSE Room.
- opensuse.reqmagic.com is a platform Patrick and his team have been working on for the past month.

Thank You

Patrick, Required Magic, Community

House Keeping

- It is recommend for you to use the Chrome or Chromium browser for the best experience on this platform.
- By default, microphones are muted and video sharing is not activated.
- Activate your microphone to ask questions and share video of yourself.
- If you are unable to view the slides, please refresh your browser.
- There are audio and video recording for each talk during this event.
- <https://www.youtube.com/user/opensusetv>
- Licensed under the CC-BY-SA-4.0 or CC-BY-4.0 license.

House Keeping

- Please be patient with the presentation.
- Please be aware of an open microphone.
- We ask that you keep your microphones muted when not asking a question or taking part in the coffee breaks. .

Making Your Schedule

The screenshot shows a web browser window with multiple tabs. The active tab is 'openSUSE Summit', which is highlighted with a red circle. The browser address bar shows 'https://opensuse.reqmagic.com/#'. The website's navigation bar includes links for 'openSUSE Summit', 'EVENT HOME', 'PRESENTER', 'MY SESSIONS', and 'EVENT SHOP'. A search bar is located on the right side of the navigation bar.

The main content area displays a welcome message: 'Welcome Douglas' and 'You are one of 26 attendees.' Below this, there are four main sections: 'My Notes', 'Current Presentation', 'Event Registration', and 'Presenters'. The 'Current Presentation' section shows 'No Presentation Available.' The 'Event Registration' section shows '26 attending. Current Session: .'. The 'Presenters' section shows a list of attendees: Alison Deere, Estu Fardani, Hendrik Vogelsang, James Kirk, Adrian Schröter, and Nicholas Herriot.

The website also features logos for 'openSUSE Virtual Summit' and 'SUSE' (Event Sponsor). The bottom of the page shows the URL 'https://opensuse.reqmagic.com/#roles'.

Sessions >> All Sessions

The screenshot shows a web browser window with multiple tabs open, including Rocket.Chat, openSUSE Events, Mail - Douglas DeMaio, E&I All-Hands Calls, openSUSE Mailinglist Archive, Roundtable from Required Magic, and patrick fitzgerald opensuse. The active tab is the openSUSE reqmagic website, with the URL <https://opensuse.reqmagic.com/#> in the address bar.

The website has a dark blue header with a search bar and navigation links: HOME, PRESENTER, MY SESSIONS, and EVENT SHOP. The left sidebar is titled "ROUNDTABLE" and "FROM REQUIRED MAGIC." It lists the user DOUGLAS DEMAIO and navigation options: HOME, SETTINGS, SESSIONS (highlighted with a red circle and expanded to show ALL SESSIONS and MY SESSIONS), SPONSORS, SHOPPING, DJ'S TUNES, EMERGENCY, and LOGOUT.

The main content area is divided into three columns. The first column, "Current Presentation," shows "No Presentation Available." The second column, "Event Registration," also shows "No Presentation Available." The third column, "Presenters," lists event sponsors: openSUSE Virtual Summit and SUSE.

At the bottom of the page, there is a grid of user avatars and names: Alison Deere, Estu Fardani, Hendrik Vogelsang, James Kirk, and Adrian Schröter.

Make A Schedule

The screenshot shows a web browser window with multiple tabs open, including Rocket.Chat, openSUSE Events, Mail - Douglas DeMaio, E&I All-Hands Calls, openSUSE Mailinglist, and Roundtable from Requirements. The active tab is openSUSE Events, displaying the URL <https://opensuse.reqmagic.com>. The website header includes navigation links: openSUSE Summit, EVENT HOME, PRESENTER, ALL SESSIONS (highlighted), and EVENT SHOP. A search bar is located on the right side of the header.

The main content area displays a grid of session cards. A welcome message at the top left reads: "Welcome Douglas" and "Displaying all 18 Sessions." The session cards are arranged in three columns and three rows. Each card includes a session number, title, description, duration, and a "MORE" link. The sessions are:

- 3077 - Introduction Podman for Beginner**: A Daemonless Container Engine. featured session - 15 minutes. MORE

The screenshot shows a web browser window displaying the openSUSE Virtual Summit interface. The browser's address bar shows the URL `opensuse.reqmagic.com/#/home`. The page has a dark blue header with navigation links: **openSUSE Summit**, **EVENT HOME**, and **EVENT SHOP**. A search bar and the time **12:30:09 UTC** are also present.

The main content area features a welcome message: **Welcome Douglas**, **You are one of 26 attendees.** To the right, it indicates the current session is **0000: Testing Roundtable**. A control bar contains buttons for **LEAVE** (highlighted with a red circle), **MUTE**, **VIDEO ON**, **SHARE**, and **RECORD**. A progress bar shows **-16 min left**.

Below the control bar, there are three sections: **My Notes**, **0000: Testing Roundtable**, and **Presenters**. The **My Notes** section shows a note titled **0000: Testing Roundtable** with the content **Seeing if it saves** and a **SAVE** button. The **Presenters** section displays a profile for **Douglas DeMaio**, Event Administrator.

At the bottom, a status bar indicates **26 attending** for the **0000: Testing Roundtable** session.
